

Exotic eelskin leathers have become extremely popular in European high fashion. A by product of the fishing industry, it takes about 70 skins sewn together to create a first grade eel panel. Arte has taken this popular look to the wall with both matte and shiny finishes. All have a subtle striping beyond the embossed texture.

	US UNITS	METRIC UNITS
Total Weight	20.0 oz PLY 13.3 oz PSY	620 g PLM 452 g PSM
