BENEFITS of partnering with Koroseal

As the world's leading designer, manufacturer, and distributor of interior solutions, Koroseal has decades of experience in serving major National Account Programs.

EXPERT SUPPORT

Count on our dedicated National Account Team for every question, order, and inventory request. Our outside and inside sales teams are made up of industry experts to successfully manage your projects from conception to post-sales support - and everything in between.

DECADES OF EXPERIENCE

Working with top companies in all markets; handling high volume quick turnaround projects is what Koroseal is known for. Many top accounts globally rely on Koroseal's experience to manage their design concepts from start to finish.

A PRODUCT PORTFOLIO WITH ENDLESS POSSIBILITIES

Koroseal's exclusive product portfolio encompasses the industry's most extensive range of interior wall solutions, providing a solution for every need. We can work with any budget, design concept, or challenge. Plus, we allow you the flexibility to customize for your design concept or branding needs.

PRE-NEGOTIATED PRICING

Koroseal partners achieve better cost control and accurate budget forecasting through the use of pre-negotiated pricing models, tailored to your annual purchasing commitments.

CUSTOM STOCKING SOLUTIONS

Simplify your inventory planning and fulfillment processes with personalized stocking programs that ensure products are always at your disposal.

WORRY-FREE LOGISTICS

Koroseal's integrated field and inside support teams are dedicated to ensuring your projects run smoothly, no matter the scale. One on one project calls ensure your product is shipped as requested, when it's requested.

PROVEN PRODUCTS IN EVERY TYPE OF ENVIRONMENT

For over 65 years, Koroseal has manufactured a wide range of quality interior products, serving some of the most demanding commercial environments, including healthcare and food service, as well as upscale retail and hospitality.

GLOBAL RELATIONSHIPS

Koroseal has fostered strong partnerships with architects, designers, and contractors around the globe, benefiting the products and services offered in our National Account Programs.

UNMATCHED DESIGN CAPABILITIES

Koroseal's design capabilities are unmatched, giving you the ability to create one-of-a-kind designs for nearly all of our product offerings. Not only do we offer our customers the industry's most expansive range of interior wall solutions, but we take it a step further, allowing customers to customize solutions with our in-house design team for specific colors or branding opportunities.

Working with our in-house Design Lab is easy. They will be with you at every stage to ensure the end result aligns with your vision and expectations. Whether you need a custom color, a change in construction, a specific substrate material, the design scale adjusted, or a brand-new design entirely, we have the experience and expertise to help you achieve your vision.

“ Your team’s professionalism and responsiveness have made the collaboration seamless. The way you handle custom orders and provide tailored solutions to our design requirements truly sets you apart from other suppliers. ”
